Club Standing Supplementary Regulations

AMSC Circuit Motorcycle Championship

Version 1

13 February 2023

Ref: 162957/144

REVIEW AND AMENDMENTS

ANY proposed / desired changes to these Championship Regulations must be submitted to the Controllers for approval. The Controllers reserve the right to introduce new Regulations and / or amend existing Regulations with the approval of Motorsport South Africa (MSA).

Amendments and updates to the rules will be recorded in the Amendment Record, detailing the updated version, date of approval of the amendment and a short summary of the amendment. The new version of the rules will be published by MSA at least seven (7) days prior to the next event being held unless a shorter notice period is approved by MSA.

- e) Tyre choice is open.

7.8 Breakfast Run Class: NON-CHAMPIONSHIP CLASS

- a) All first-time riders may start out in the Breakfast Run Class at their first race day.
- b) Should a rider wish to participate in the motorcycle racing events held at the Aldo Scribante Circuit; but his motorcycle does not fit into the existing categories, he will be eligible to participate in the Breakfast Run Class.

- c) All 600cc and Unlimited competitors who fall below the time split of 1:09.000 may ride in this class until they are up to speed to participate in the correct class.
- d) The Breakfast Run Class is a non-championship class.

8. BREAKOUTS – MASTERS AND BREAKFAST RUN CLASSES

- 8.1 Masters B and Breakfast Run Riders who records a lap time of more than 0.1 seconds faster than 1:09.00, on two separate occasions, in either official timed practice or in any race, will be promoted and placed in an appropriate class according to the lap time at the following event.
- 8.2 All breakouts in respect of the current year will be carried forward to the following year i.e. all competitors who broke out twice and moved up a class in 2022 will be carried forward to 2023. If you only “broke out” once in 2022 you will not carry this break out into 2023.
- 8.3 NOTE: Any break-outs within the last 30% of the championship will be scored immediately in terms of point 8.6
- 8.4 A rider actually starting from a grid position attained from an incorrectly recorded fast time will accept that he/she did that time and it will count for a breakout time.
- 8.5 A rider can move up in the class structure but never down again in the same year, except in exceptional circumstances and with the special written permission of the Controllers.
- 8.6 Should a rider score points in a particular class and thereafter move up to the next class (E.g. from Masters B into Masters A), he/she will carry forward any points obtained up to that point with the following proviso:
In order to qualify for class placings at the end of the championship year, at least 30% of total points must be scored in that particular class. If a competitor breaks out of a class with less than 30% of races remaining, he will be scored in the position in the class in which he broke into, in his original class. (e.g. should he finish 2nd in the higher class, he will carry 2nd place points back to his original class that he broke out of for purposes of the championship.) If a competitor is scored in his previous class due to the fact that he completed less than 30% of the events in the new class, then the class which he broke into will be scored as if he did move up to this class for the championship.

9. RIDER CONDUCT

- 9.1 Refer SSR's 49 to 66 (where applicable).
- 9.2 Bumping and / or pushing of other motorcycles on the circuit is not allowed and any riders found doing this will be penalized by the Clerk of the Course in terms of GCR 157. The Clerk of the Course must consider infringements at previous events which resulted in penalties being imposed, when imposing penalties under this heading.
- 9.3 Any competitor who disadvantages another competitor by bumping said competitor's motorcycle, even unintentionally which results in the loss of place(s) during a race will, at the discretion of the Clerk of the Course, generally be penalized so as to finish behind the competitor that was disadvantaged. More severe penalties will be applied in the case of repeat offenders.

- 9.4 The motorcycle ahead of any other motorcycle in any 'train' of two or more motorcycles on the circuit may only change direction once in a straight line from the exit of one corner up to and including the entrance to the next corner unless involved in a genuine overtaking maneuver.
- 9.5 When attempting an overtaking maneuver coming into a turn, at the end of the braking area, the front wheel of the overtaking motorcycle must be past the foot pegs of the motorcycle ahead before the entry to the turn.
- 9.6 If this is not the case then the overtaking motorcycle must back off and allow the motorcycle ahead to take the racing line through the corner.
- 9.7 If the front wheel of the overtaking motorcycle is past the foot pegs of the motorcycle ahead, the lead motorcycle must take a line so as to allow both motorcycles to successfully negotiate the corner and exit.
- 9.8 Note: This rule does not apply to 'sweeps', which are treated as normal 'straight line' racing.
- 9.9 At the discretion of the COC, all new riders to the Championship may be required to have ribbons (Candy Tape) attached to the rear of their motorcycles, a bright bib or an "X" on the rear of the motorcycle rider, for their first two or three race meetings.
- 9.10 YELLOW / RED CARDS
- a) The Clerk of the Course shall be empowered to make use of yellow / red cards in respect of rider conduct issues, as per the following:
 - b) A rider receiving a yellow card will be given a 3-place grid penalty for each of the 3 races under yellow card conditions.
 - c) No card (either yellow or red) shall be issued without the competitor being afforded a hearing by the Clerk of the Course.
 - d) A yellow card shall have the effect of placing a competitor's riding conduct 'under observation' for the following three (3) races forming part of the championship.
 - e) A competitor racing 'under yellow' shall be required to prominently display a supplied yellow decal on the left & right hand side of his / her motorcycle at all times during the affected races, alternatively, yellow ribbons will be attached to the motorcycle under observation.
 - f) If a competitor is found guilty of an offence while 'under yellow' he / she may, following a hearing, be issued with a red card.
 - g) Should a competitor receive three yellow cards in one season, the COC reserves the right to issue the competitor with a red card.
 - h) The effect of a red card is to bar a competitor from taking part in the next full race meeting forming part of the championship.
 - i) In the event of the Clerk of the Course deeming a first offence to be sufficiently serious so as to warrant the imposition of an immediate red card, he shall be empowered to take such action.
 - j) 'Card decisions' need not necessarily be made at an event. Following an incident report or protest, the Clerk of the Course may await any additional footage (or other suitable evidence) which may be available after the event before making a decision.
The competitor will generally be informed on the day if further evidence is being awaited.
 - k) Where a 'card decision' is made on the day of an event, the affected competitor shall have the right of protest to the Stewards of the Meeting (and the right of subsequent appeal).
 - l) Where a 'card decision' is made between events, the decision shall only be subject to an appeal in terms of the provisions of GCR 215.

- m) Yellow/red cards issued in one racing season will generally not be carried over into the next racing season, this being at the discretion of the Clerk of the Course. However, competitors guilty of an offence in the last race of the season may be penalized accordingly depending on the severity of the offence.

10. GENERAL

- 10.1 A motorcycle which is damaged beyond repair as a result of an accident may be re-bodied, and the combination of this motorcycle and the existing rider will have the choice of remaining in their class or going back to Breakfast Run Class. However, written permission must be obtained from the Controllers should the rider wish to return to his original class.
Any rider using another motorcycle which is slower than, or equal to the regular class of the rider, will score points for the championship in the actual finishing position of that rider's class.
- 10.2 Should a rider use another motorcycle due to engine / mechanical failure, permission must first be obtained in writing from the COC who will act in conjunction with the Scrutineer / TC. His decision to grant / withhold such permission will be final.
- 10.3 Location of timing transponders: - Shall be mounted as per SSR 83(ii). Failure to comply may result in exclusion from the race / race meeting concerned.
- 10.4 It is the sole responsibility of all competitors to ensure that their motorcycles comply with the these regulations and all riders are therefore advised to obtain full safety and eligibility clearance from the relevant association technical consultant before entering their first event.

11. COMPETITION NUMBERS

- 11.1 All competition numbers must comply with MSA stipulations relating to size and colour. Numbers must be clearly displayed on the front and both sides of the motorcycle.
- 11.2 The relevant Class Representative, on behalf of the Controllers, shall allocate all competition numbers. All competitors are to carry relevant series sponsor decals.
- 11.3 The current champion will have the right to retain his previous competition number during his reign even though it may not be used.
- 11.4 Competition numbers shall be retained throughout the championship year and are not to be changed.

12. CHAMPIONSHIP EVENTS

The events making up the championship are listed in the 2023 MSA Calendar. When more than one race is held on any one particular day, the overall positions for the day will be determined by the total time of all the day's races added together and will be used solely for the purpose of determining an overall winner for the day and shall have no effect on the points counting towards the AMSC Club Championship.

13. POINT SCORING PER CLASS (NOT FOR BREAKFAST RUN CLASS)

- 13.1 Points will be scored in race for each class starting at 10 points for the winning rider; 9 points for the second placed rider, and so on down to the 10th rider and all subsequent riders scoring one point.

- 13.2 There must be a minimum of six (6) eligible starters for 60% of the nominated championship events for the combined classes, for the race meeting itself to qualify for championship status. To be classified as a starter, a competitor must participate in at least one of the official practice sessions listed in the supplementary regulations for the event, and/or participate in the race/event itself (Refer SSR 82 i).
- 13.3 In order to be classified as a finisher, a motorcycle must have completed not less than two thirds of the distance of the race under its own power. The two thirds shall be calculated by rounding off to the nearest lap.
- 13.4 Competing riders who are ineligible for the championship, will be ignored in the results for the purpose of scoring the championship, but will qualify for awards (trophies).
- 13.5 Awarding of trophies for the day will be done by calculating the competitor's total race time for each race added together.
- 13.6 Riders who are non-starters; non-finishers or disqualified shall receive zero points.

14. CHAMPIONSHIP FORMAT

- 14.1 The championship will generally consist of a minimum of 8 rounds (24 races) for the year. The organisers reserve the right to host more than 3 races at any of the rounds to make up the minimum number of races for the year.
- 14.2 There shall be no "throw-away" races in the 2023 championship.
- 14.3 Notwithstanding the above, ALL races held at Aldo Scribante raceway during 2023 for the said category will count towards the Championship.

15. QUALIFYING, STARTING & STARTING GRID

- 15.1 The qualifying session will determine the starting grid as per below:
- | | | | |
|----|---------------------------|---|------------------------------|
| a) | Fastest Lap in Qualifying | - | Starting position for Race 1 |
| b) | Fastest Lap in Race One | - | Starting position for Race 2 |
| c) | Fastest Lap in Race 2 | - | Starting position for Race 3 |
- 15.2 For purposes of warm-ups and qualifying, classes may be amalgamated. A 10-minute session will be allocated to each combined class. During this time a competitor may take to the circuit at any time.
- 15.3 Eventualities: If a competitor does not post a lap time in Qualifying or race, he/she will start at the back of his/her class.

16. CHAMPIONSHIP STATUS

Should less than ten (10) qualifying races be held and scored during the season, the championship may be declared null and void by the Controllers.

17. SEPARATION OF TIES

Any ties will be resolved in favour of the competitor having the greater number of first positions. If this fails, the greater number of seconds will count, then thirds, and so on. If the tie still remains, performance in all the championship events will be taken into consideration and if this is still ineffective, then the Controllers will declare the winner on any basis they may deem fit.

18. ANNOUNCEMENT OF POINTS AWARDED

Scoring for each qualifying event will be available on the AMSC Website and any objections concerning the scoring must be received by the Controllers in writing not later than 7 days following the publication of the scoring. The Controllers reserves the right to correct clerical errors at any time.

19. DECLARATION OF CHAMPIONSHIP

The AMSC Committee, at its sole discretion, is responsible for declaring a winner of the championship, or to withhold such declaration.
