## MSA SATC CIRCULAR 06 OF 2025

Affected parties should note, as envisaged in GCR 67, that MSA agrees shorter notice is both appropriate and reasonable in this instance, that the following changes are made to the 2025 MSA Recognition Form "A" Technical Regulations – SupaCup Only Version 4 (VW) with immediate effect:

### 6. TYRES

Four (4) new tyres will only be allowed after Round 1 for new competitors when they join the series.

All competitors will also have new tyres available **at the after** high wearing circuits i.e. Round 4 (**after** Scribante) and Round **5 6** (**after** East London) as per the above table.

The two new practice tyres must be used in all practice sessions to allow them to be marked as the two used tyres for qualifying and the races.

If a competitor decides to use no new tyres in the events where they are available, these newly allocated tyres are forfeited for the year and cannot be requested again.
