3. JURISDICTION

- Held under the General Competition Rules (GCR's) and Standing Supplementary Regulations (SSR's) of Motorsport South Africa (MSA) for Circuit, and these Supplementary Regulations (SR's) as well as any Final Instructions which may be issued.
- Any relevant MSA Circulars of 2025, will take precedence to these Supplementary Regulations.
- All relevant 2025 category regulations.
- MSA Safeguarding Policy
- These regulations must be read and understood by all competitors.

4. MOTORSPORT SOUTH AFRICA PERMIT NUMBER

MSA-2025198	Permit issued (date)	9 July 2025
Please note that the MSA Flag will be prominently displayed at:		Entrance and Race Control office

5. ELIGIBILITY OF COMPETITORS

Refer to Standing Supplementary Regulations as shown below, as well as GCR 227:

The Competition is open to all drivers/riders who hold current, valid MSA Competition Licences for the Category concerned and whose vehicles/motorcycles comply with the specifications as per the MSA Handbook and relevant Regional Championship Regulations. ALL ENTRY FORMS MUST BE LEGIBLE AND COMPLETED IN FULL STATING ENTRANT, DRIVER, VEHICLE PLUS CONTACT DETAILS AND SIGNED BY ALL RELEVANT PARTIES. Refer to Standard Supplementary Regulations 1 and 2.

6. INJURY REGISTER

Where a competitor has appeared on the injury register, it is that competitor's responsibility to ensure that they have submitted a medical certificate indicating that they are fit to compete in motorsport no later than 5 (five) working days before the start of the event. This certificate is to be reviewed and processed by MSA Head Office.

It is the responsibility of the competitor to check the Injury Register and ensure that MSA receives their letter timeously.

Please Note: Competing while appearing on the injury register will result in potential claims being repudiated by the MSA Group Accident Policy.

Refer to Appendix L - Article 2.9

7. COMPETITOR CONDUCT

Refer to Standing Supplementary Regulations as shown below:

Competitors' attention is drawn to SSR's 17, 46, 48, 49, 50 and 51. - Any competitor who consistently uses the verges will be guilty of unsafe driving (refer SSR's 17, 50 and 51) and will be penalised accordingly in terms of GCR 157 (i) (a). Judges of Fact/Observers may be appointed in terms of GCR 161 and their names will either be listed in the Final Instructions or by an Official Bulletin. Their duties will be to report on cutting of corners, persistent off-circuit behaviour, and/or poor driving standards. Competitors reported in this respect that, having been signalled in terms of Appendix "H", Article 6, and who continue to disregard safe driving conduct might be black flagged. Any competitor disregarding the black flag will be excluded from the race.

ONE OR MORE Judges of Fact may be appointed to oversee the starting procedure and to report on infringements. The names of these Judges will be stated in the list of officials, or communicated to competitors in the Final Instructions, or by means of an Official Bulletin.

Any competition vehicle found using the access roads, pits or any other area than the circuit for testing or being driven in a matter that is considered by the Clerk of the Course to be dangerous including travelling in the wrong direction on the Circuit or Pit Lane, will be excluded from the event, irrespective as to who was driving the vehicle at the time. Notwithstanding the Competitor's exclusion, he will be reported to the Stewards of the meeting who may consider further action in terms of a breach of GCR 172 (vii).

INCIDENTS/RETIREMENTS: Competitors attention is drawn to SSR's 60, 61 and 62.

VEHICLES ABANDONED ON CIRCUIT: Any vehicle abandoned on the Circuit must be left unlocked; if a steering lock is fitted the key must be left in the ignition to facilitate the removal of the vehicle after the event. Any vehicle abandoned on the Circuit, which is locked, will be moved by any practical and available means and the Promoters, Organizers and Officials will not be liable for any subsequent damage (SSR 10 (iii)).

INCIDENTS DURING PRACTICE SESSIONS: Competitors are advised that, should there be an accident during a practice session, which involves the clearing of the Circuit, their practice session will forfeit the cleaning time required.

RACING FUEL, OIL OR COOLANT SPILLAGE ON THE CIRCUIT: Competitors are requested not to overfill their tanks as spillage of fuel is damaging the surface of a race circuit. Any vehicle spilling fuel, oil or coolant, should leave the circuit immediately and pull off to a safe and stationery position on the side of the circuit (Refer o SSR 50 (iii), (iv) and (v)).

It is the express wish of the Organisers that any Incidents/Accidents are reported to the Clerk of the Course and if necessary, a written report submitted where required ; SSR61 (ii) (b).

8. ENVIRONMENTAL

Refer to Standing Supplementary Regulations as shown below, as well as the MSA Environmental Code:

1. Environmental mats must be composed of an absorbent upper part (top) and an impermeable part underside (bottom). Use of mats (or other effective ground protecting devices/systems) is compulsory wherever work on vehicles (motorcycles, quads, cars, karts, etc) is allowed by the organizers.
2. For Cars, Karts and Quads the whole area underneath the vehicle, where there is the prime probability of fluid spills, must be covered with a ground protecting sheet or environmental mat.
3. In combination with the Environmental Mats or ground sheets, other ground protecting systems like fluid absorbent material, oil spill kits, etc. can be used to clear spillages. These materials must be disposed of in a hazardous waste container.
4. The key-elements to consider, when deciding on an environmental mat, are the following:
 - The absorption capacity of the mat (or ground protecting device) so that no puddles are formed on top.
 - Under no circumstances must it allow vehicle fluids to seep through onto the soil, thus having to consist of an impermeable (liquid proof) base.
5. Under no circumstances may these mats be disposed of in a standard refuse bin. A hazardous waste container must be available at a designated point within the DSP (Designated Service Point). Any damaged mats MUST be disposed off in this container. Alternatively, the soiled mats can be placed in a sealed plastic container for disposal by a hazardous waste disposal company

9. COMPETITION LICENCES

23. PRE-RACE / PARC FERMÉ

Refer to Standing Supplementary Regulations as shown below as well as GCR 252:

PARC FERMÉ (APPLICABLE TO SUNBET ZX 10 MASTERS CUP)

- All competitors who have completed two-thirds of race distance are classified as finishers and unless otherwise directed by the Clerk of the Course, are required to bring their vehicle to parc fermé immediately after their last event of each category.
- The Parc Fermé is based next to the top pit area (Refer GCR 252).
- The Organisers reserve the right to impound and examine any vehicle/motorcycle at their discretion (refer GCR 254).
- In terms of GCR 200 (v), and (x) all competitors are requested to remain at the circuit until AT LEAST THIRTY (30) MINUTES after their last heat, or until such time as any protest/appeal time affecting their category's results has elapsed.
- All categories that use parc fermé and the weighing facilities are to ensure that their competitors know the regulations per category.

24. STARTS

Refer to Standing Supplementary Regulations as shown below, as well as GCR's 261 – 265, 267 - 271:

For the Racing Categories:

Starting positions will be determined by lap times recorded during official timed qualifying sessions, unless otherwise stipulated in the regulations for the category concerned. The vehicle or motorcycle combination recording the fastest time will be allocated pole position on the starting grid, with the remaining positions being filled in descending order of the official practice times (refer SSR's 26, 27 and 28). In the event of two (2) drivers or riders combinations recording the same lap time, the more favourable grid position will be allocated to the driver who established that time first.

- At the discretion of the Clerk of the Course competitors who are not recorded on the grid for either the first or the second race may be positioned at the back of their class.
- Where there are two races per category, the starting order for the second race will be based on the finishing order of the first race unless determined otherwise by the regulations for the category concerned.
- Standing starts, starting procedure will be one (1) warm-up lap the short circuit, form up in correct grid positions. The two-minute (2) board will be shown, followed by the one (1) minute, thirty (30) second, five (5) second boards, the switching off of the red lights or dropping of the MSA Flag will denote the Start.
- The rolling start, start procedure will be one (1) sighting lap on the short circuit, formation on grid, followed by two (2) minute board, thirty (30) second board and then green flag denoting the start of the warm-up lap on the short circuit behind a pace car. On completion of the warm-up lap, the pace car will switch off its lights and enter the pit road and the formation will proceed towards the start line at the same speed as behind the pace car. The start will be denoted by the switching off of the red lights or the dropping of the MSA Flag (refer to SSR 39).
- The starting signal will be given by means of lights. Should these lights fail after the showing of the five second board, a "Start Delayed" board will be shown, and the start will proceed in accordance with SSR 38 E (iii) and the MSA Flag will be utilized. All subsequent starts will proceed with the use of the MSA Flag.
- Unless specifically requested and agreed to, there will be NO parade lap prior to the start of the race.
- Competitors who do not take part in official timed practice must confirm one (1) hour before the first race their intention to start.
- In the event of a timekeeping failure during Official Timed Practice, the method by which the starting grid shall be allocated shall be at the discretion of the Clerk of the Course in consultation with the relevant Association Chairman and with the approval of the Stewards. Should a competitor be deemed a non-finisher in the first heat, s/he must inform the Clerk of the Course IN WRITING WITHIN (1) HOUR OF THE COMPLETION OF THE FIRST RACE, that the Competitor would be in a position to start the second race. The Competitor will be permitted to start the second race from a position at the rear of the grid or such other position as may be determined by the Clerk of the Course. Refer to SSR 29.
- Competitors who jump the start will be penalised in terms of SSR38 j.

For the Shelby Speed Challenge:

Starts will be done by the lowering of the MSA flag and the time will start when the competitor crosses the timing beam a few meters from the start. The finish will be indicated by the waving of the chequered flag, whereafter the competitor will proceed straight on and enter the pit entrance near Platform 1 at a reduced speed.

Competitors will only be allowed 1 "burn out" practice start for the event and there will be penalties prescribed for offenders. This will be communicated in the Final Instructions.

For Vilaca Racing:

The start of the session will start at the dedicated time slot. Drivers will be shown the waved MSA flag to indicate the start of the session. After the session time has elapsed, the chequered flag will be shown and the drivers will proceed to the pit entrance.

For the Sunbet ZX10 Masters Cup:

Riders will get half a track sighting lap and form up on the grid at the main start finish straight. the green flag will be waved - a full warm up lap will be given. Riders will then form up on the grid again and will follow the starters instructions.
