MSA NORTHERN REGIONS MOTOCROSS CHAMPIONSHIP **CIRCULAR 4 OF 2025**

Affected parties should note that following the recent postponed, abandoned and cancelled heats from previous rounds due to various reasons, all options for the completion of the 2025 Northern Regions Motocross Championship have been discussed with the outcome below being the best possible solution, as approved by the Northern Regions Regional Committee:

In order to retain the 2025 MSA Northern Regions Motocross Championship, the following changes will be made to SSR 5 a) of the 2025 MSA Northern Regions Motocross Championship SSRs:

5. CHAMPIONSHIP EVENTS AND HEATS TO COUNT

- a) Northern Regions Motocross Championship
 - i) **Seven-Five** events per class are scheduled, and will comprise of 2 **or 3** heats each, totalling **14-12** heats.
 - ii) **All organised heats to count for a class to be eligible. The highest scoring 6 of the 7 events, will count for a class to be eligible for Northern Regions Regional Championship.**
 - iii) **There are no drop heats in the Championship.**
 - ~~iii) There will be 1 event (2 heats) to be dropped in the Championship which will be taken from a single event only (generally the lowest scoring event for that competitor) and only if the rider is considered a starter (Ref. SSR 6. b.) for that event. If a competitor does not enter an event, this event will not be eligible as a drop event and will be scored as zero towards the competitors points tally for the Championship.~~

In respect of Round 4, for the MX 2/MX 2 B, MX 50cc/MX 50cc B, MX 85cc/MX 85cc B, and MX Ladies classes, who were unable to complete their third heat, the points for heat 3 will be calculated based on the average of the points earned in heats 1 and 2. All 3 heats will count towards the overall score for Round 4.

Additionally, a third heat for all classes will be added for Round 5 of the 2025 Northern Regions Motocross Championship on the 9th August 2025 at the Terra Topia MX Track. All 3 heats will count towards the overall score for Round 5.
