6. INJURY REGISTER

It is the responsibility of the competitor to ensure that they submit a **medical certificate** indicating that they are fit to compete in motorsport **no later than 5 (five) working days before the start of the event**, by sending it to MSA Head Office for review and processing. It is the responsibility of the competitor to check the Injury Register and ensure that MSA receives their letter timeously.

Refer to Appendix L - Article 2.9

7. COMPETITOR CONDUCT

Refer to SARMC SSRs and in particular:

- Observers, whose duties it will be to report on persistent on/off circuit poor behaviour and/or poor driving standards, may be appointed.
- Your attention is drawn to Articles 36 and 37 and Penalties will be imposed as per Article 38
- Licence Penalty Points system is in place – see Article 39.
- Front fairings will be checked and penalties will be applied as per Art 24 of the 2025 SARMC Sporting Regulations.
- Outside Assistance
Bambino competitors may receive outside assistance with the permission of the Clerk of the Course from a limited number of identified parents/pit crew who have been given an introductory marshalling course and are registered as Officials with visibility vests and signed indemnities.
These Officials must assist any Bambino driver and not only their own children, otherwise, they will no longer be permitted to assist on track.
These parents must submit their Official licences together with their child's entry.

8. ENVIRONMENTAL

Refer to SARMC SSR's as shown below, as well as the MSA Environmental Code:

- Fuel, oil or coolant spillage on the circuit: Any kart spilling fuel, oil or coolant should leave the circuit immediately to a safe and stationary position on the side of the circuit. Competitors who attempt to return to the pits with a kart spilling fuel, oil or coolant onto the surface of the track may be fined not less than R750-00 and not more than R5000-00.
- It is forbidden to rev any engine close to competitor pits. Please make sure you familiarise yourself with the venue layout and dedicated Revving area. Any person caught revving a kart outside the dedicated area will receive a penalty.

9. COMPETITION LICENCES

Competitors can download copies of their competition licences from the msaonline.co.za platform.

21. SCRUTINEERING

Refer to SARMC SSR's Article 15, as well as GCR 253 and 254:

The self-declaration scrutineering form is available online at www.kart.co.za

Technical inspections (whether as a result of a protest or not) may be held immediately after the racing in a designated area or the parts in question must be properly sealed and stored for safekeeping until approved off-site inspection takes place.

22. DRIVERS BRIEFING

Refer to SARMC SSR's Article 16

There will be an in-person drivers' briefing at the end of the morning warm-up at the start line. The program is live and can be checked by following this link <https://www.rotax-ems.com/RSA/timetable.php> Should there be an additional need to communicate with competitors, this will be done via the electronic notice board on the day.

23. SAFETY APPAREL / EQUIPMENT

Refer to SARMC SSR's Article 14 as well as GCR 239:

24. PRE-RACE / PADDOCK / PARC FERMÉ

Refer to SARMC SSRs as well as GCR 252:

To clarify, parc-ferme starts at the entrance to the scale when exiting the track, and includes all of the fenced area up to the entrance to the pre-race grid. Entry into this area for competitors, mechanics and karts is only via the gate at the rear of the pre-race grid.

Only the competitor plus one mechanic who is taking part in the race about to be run or that has just finished (kart coming off the track) are allowed into this area, and the mechanic must wear the requisite armband applicable to that kart. Bambino competitors may have one additional assistant. Other team members and entrants are not allowed.

No liquids or tools, apart from a tyre pressure gauge, are allowed onto the form-up grid. Failure to comply will result in the imposition of a penalty determined by the COC.

Revving of karts for longer than 5 seconds in total is not allowed and will be reported to the COC and Stewards for further action.
Smoking and vaping within parc-ferme is not allowed and will be reported to the COC and Stewards for further action.
Competitors must ensure that they arrive at the pre-race grid at least 10 minutes before their race.
Should you fail a fuel test you will be required to refuel with fuel that complies before being allowed to start.

25. STARTS

Starts will be signalled by extinguishing of the red lights. In the event of non-availability of the lights, an MSA flag will be used. Refer to SARMC SSR's Article 21.

26. REFUELLING

Refer to SARMC SSR's 14.6

It is compulsory to obtain your fuel from Engen, Fifth Avenue Motors.
2 Fifth Avenue, Northmead, Benoni, 1501 – Pump 1

The fuel used for this event will be '95 UNLEADED octane fuel.

Fuel testing/control will be imposed for all classes and will take place in Parc Ferme, both pre and post-race.

Fuel testing will be continuous from Saturday morning 27 September 2025.

No containers or funnels may be brought into the Fuel Control area. Only the competitor him/herself may be present in the Fuel testing/control area.

Drums for waste fuel will be provided by fuel control – please do not deposit waste fuel in the drains.

Bambino karts will be required to use fuel supplied by the organizers and leave their tanks in parc ferme between races.

It is compulsory for competitors to mix their fuel for this event as follows:

- a) 50:1 XPS 2T / XPS Castor Racing Oil 2T for Micro, Mini, Junior, Senior Max, DD2 and DD2 Masters + Vets
- b) 25:1 XPS 2T / XPX Castor Racing Oil 2T for Bambino Class (Supplied by organisers from morning qualifying – fuel tanks to be left in parc-ferme)

The COC or Fuel TC may at any time have competitors' fuel replaced with organisers' fuel. Refusal to do so will lead to exclusion without the possibility to protest.

Replenishment of lubricant and fuel is not permitted during any race or timed qualifying session.

27. PITS

Refer to SARMC SSR's Article 34

28. SIGNALLING
