5. ELIGIBILITY OF COMPETITORS

Refer to Standing Supplementary Regulations as shown below, as well as GCR 227:

2026 WC Clubs Classes Regulations.

6. INJURY REGISTER

Where a competitor has appeared on the injury register, it is that competitor's responsibility to ensure that they have submitted a medical certificate indicating that they are fit to compete in motorsport no later than 5 (five) working days before the start of the event. This certificate is to be reviewed and processed by MSA Head Office.

It is the responsibility of the competitor to check the Injury Register and ensure that MSA receives their letter timeously.

Please Note: Competing while appearing on the Injury Register will result in potential claims being repudiated by the MSA Group Accident Policy.

Refer to Appendix L - Article 2.9

7. ENVIRONMENTAL

Refer to Standing Supplementary Regulations as shown below, as well as the MSA Environmental Code:

1. Environmental mats must be composed of an absorbent upper part (top) and an impermeable part underside (bottom). Use of mats (or other effective ground protecting devices/systems) is compulsory wherever work on vehicles (motorcycles, quads, cars, karts, etc) is allowed by the organisers.
2. For Cars, Karts and Quads the whole area underneath the vehicle, where there is the prime probability of fluid spills, must be covered with a ground protecting sheet or environmental mat.
3. In combination with the Environmental Mats or ground sheets, other ground protecting systems like fluid absorbent material, oil spill kits, etc. can be used to clear spillages. These materials must be disposed of in a hazardous waste container.
4. The key-elements to consider, when deciding on an environmental mat, are the following:
 - The **absorption** capacity of the mat (or ground protecting device) so that no puddles are formed on top.
 - Under no circumstances must it allow vehicle fluids to seep through onto the soil, thus having to consist of an **impermeable** (liquid proof) base.
5. Under no circumstances may these mats be disposed of in a standard refuse bin. A hazardous waste container must be available at a designated point within the DSP (Designated Service Point). Any damaged mats **MUST** be disposed off in this container. Alternatively, the soiled mats can be placed in a sealed plastic container for disposal by a hazardous waste disposal company.

Medical Assistance Boards:

a. All cars must carry a Medical Assistance Board, which must be used according to the following instructions:

b. Description of Board and Availability

The board will be made of white plastic 3mm thick, 415mm in length and 360mm in width. On one side there will be a red cross and on the other side a letter "O" or "OK" in reflective green. These boards are available from Rally Head Quarters. No other boards will be acceptable.

b. Carrying of Boards in Rally Cars

Boards must be properly secured to the inside passenger compartment or be secured together with the warning triangle to avoid loss, damage, or injury in the event of an accident. They must be easily accessible to the driver and/or navigator as they vacate their seats in the event of an accident. The position and securing of the board will be checked by Scrutineers prior to the start of the event and no rally car will be allowed to start an event without the board being carried and secured in the competing vehicle in an approved manner.

c. Use of board following an Accident

Should any competitor stop due to an accident whilst on the route being used for the event, the board together with a warning triangle must be displayed? Should medical assistance be required the board must be displayed in such a manner that the red cross is clearly visible to all approaching competitors, preferably at eye level. Care must be exercised to ensure that the correct side of the board is displayed to oncoming competitors. While the board is displayed in this manner the first competitor arriving on the scene shall stop and render assistance.

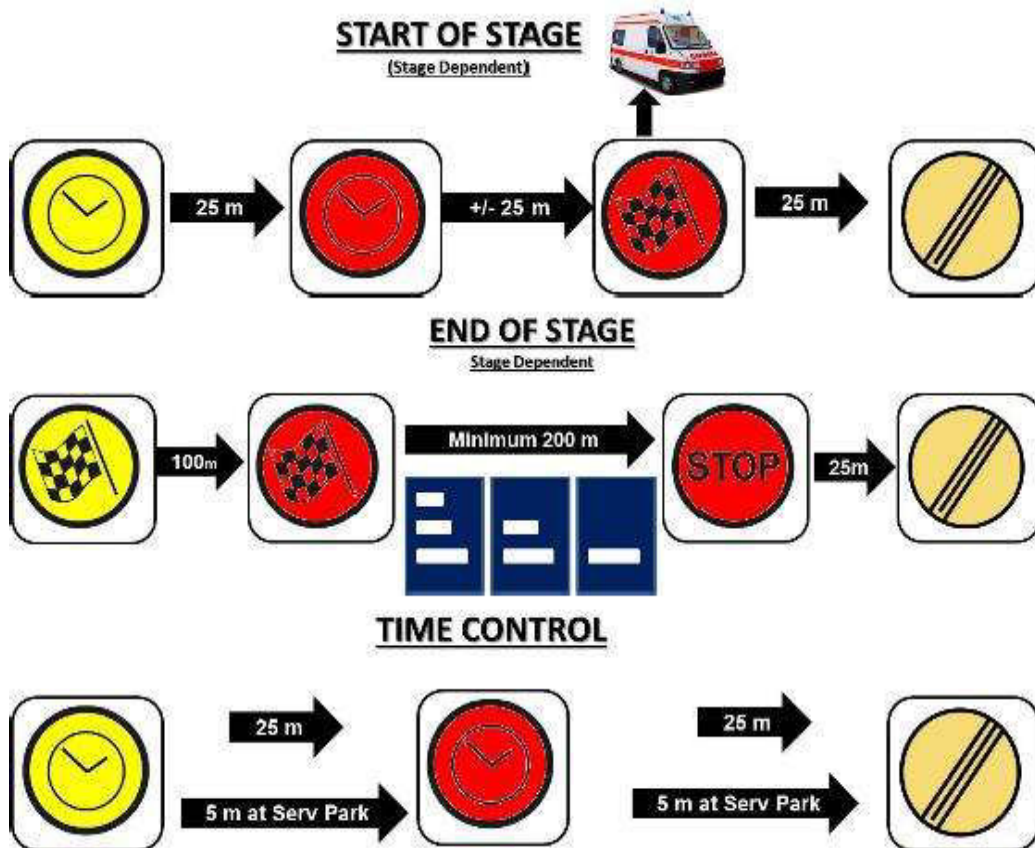

Should a competitor happen upon a scene of an accident without the board being displayed it must be assumed that the injuries are of such a nature that the competitors are seriously injured and unable to display the board. Assistance must be immediately rendered. If further assistance from other competitors is required, the crew of the car rendering initial assistance shall display their board showing the red cross.

If no additional assistance is required, the green "O" or "OK" shall be displayed with the "O" or "OK" visible to oncoming competitors until the vehicle has been removed. Obviously following an accident where no injuries are involved, the green "O" or "OK" must be displayed for the benefit of other competitors.

d. Penalties

Competitors who fail to stop upon arriving at the scene of an accident, where no medical board is displayed or where a red cross is displayed, are guilty of contravening motorsport regulations and will be reported to the Stewards for disciplinary action. Competitors not injured following an accident that fail to display green "O" or "OK" shall be subject to disciplinary action being instigated by the Clerk of the Course through the Stewards for the event who in turn may precipitate further action being taken against the offenders by the Rally Organizers

e. Misuse of the medical warning boards will be treated as a serious offence and will be dealt with as such.
