MSA NATIONAL SATC CHAMPIONSHIP CIRCULAR 04 OF 2026

Affected parties are hereby advised that as prescribed in the 2026 SATC Technical Regulations, the following changes are made with immediate effect:

Art 31.3 - Tyres

For Round 5 at Aldo Scribante Circuit, competitors will be permitted one (1) additional set of new, marked tyres for Friday Practice Session 2 and 3.

The additional set of new tyres:

- Must be used for the entire duration of Practice Session 2.
- Competitors may continue to use this set during Practice Session 3, as the tyres will then be considered used and marked.
- Competitors may not complete only one or two laps during Practice Session 2 and then revert to an older set of tyres. This is to prevent competitors from carrying forward an almost unused set of tyres to the next event.
- This concession is granted solely due to the abrasive nature of the Aldo Scribante circuit surface, which would otherwise result in excessively worn tyres for practice at the subsequent event at Killarney.

The first allocated set of new tyres must still be used for:

- Qualifying;
- Race 1; and
- Race 2.

This concession applies only to Round 5 at Aldo Scribante Circuit and shall not apply to any other round of the 2026 National Extreme Festival.
