a) A Team will consist of A Driver, A Navigator and Technical Personnel

Abandoned Cars:

No cars are to be left in a stage unattended. One or both crew members must remain with the car until it is collected by the service crew or by other means, only after the stage is declared closed. A penalty of R500.00 may be imposed on any crew who contravenes this clause.

Medical Assistance Boards:

a. All cars must carry a Medical Assistance Board, which must be used according to the following instructions:

b. Description of Board and Availability

The board will be made of white plastic 3mm thick, 415mm in length and 360mm in width. On one side there will be a red cross and on the other side a letter "O" or "OK" in reflective green. These boards are available from Rally Head Quarters. No other boards will be acceptable.

c. Carrying of Boards in Rally Cars

Boards must be properly secured to the inside passenger compartment or be secured together with the warning triangle to avoid loss, damage, or injury in the event of an accident. They must be easily accessible to the driver and/or navigator as they vacate their seats in the event of an accident. The position and securing of the board will be checked by Scrutineers prior to the start of the event and no rally car will be allowed to start an event without the board being carried and secured in the competing vehicle in an approved manner.

d. Use of board following an Accident

Should any competitor stop due to an accident whilst on the route being used for the event, the board together with a warning triangle must be displayed? Should medical assistance be required the board must be displayed in such a manner that the red cross is clearly visible to all approaching competitors, preferably at eye level. Care must be exercised to ensure that the correct side of the board is displayed to oncoming competitors. While the board is displayed in this manner the first competitor arriving on the scene shall stop and render assistance.

Should a competitor happen upon a scene of an accident without the board being displayed it must be assumed that the injuries are of such a nature that the competitors are seriously injured and unable to display the board. Assistance must be immediately rendered. If further assistance from other competitors is required, the crew of the car rendering initial assistance shall display their board showing the red cross.

If no additional assistance is required, the green "O" or "OK" shall be displayed with the "O" or "OK" visible to oncoming competitors until the
