MSA NATIONAL SATC CHAMPIONSHIP CIRCULAR 5 OF 2026

Affected parties are hereby advised that as prescribed in the 2026 SATC Technical Regulations, the following changes are made with immediate effect:

Art 31.2 - Tyre use:

For Round 6, taking place at Killarney Circuit on 19 September 2026, competitors will be permitted one (1) additional set of new, marked tyres for Friday Practice Session 2.

The additional set of new tyres:

- Must be used for the entire duration of Practice Session 2.
- Competitors may continue to use this set during Practice Session 3, as the tyres will then be considered used and marked.
- This concession is granted solely due to the unfavourable conditions of the track at Zwartkops after the rain and the 4x4 Expo held earlier in the week. The decision was taken by all the Teams to save the practice new tyre set for Killarney and not at Zwartkops shakedown.

The first allocated set of new tyres must still be used for:

- Qualifying;
- Race 1; and
- Race 2.

This concession applies only to Round 6 taking place at Killarney Circuit on 19 September 2026.
